

Rags was found abandoned in Paris in 1917 by a young American soldier. They became fast friends and Rags became a hero many times over, saving lives and risking his own during WW1. Years later, he was buried with military honors, and a monument was erected at the Aspen Hill memorial park and animal sanctuary in Silver Spring, MD

FUR AND FEATHERS - Animal Heroes of WW1

A project of Chugach Arts Council and friends to learn more or get involved
